# Circle The Gear Rugby Players Need

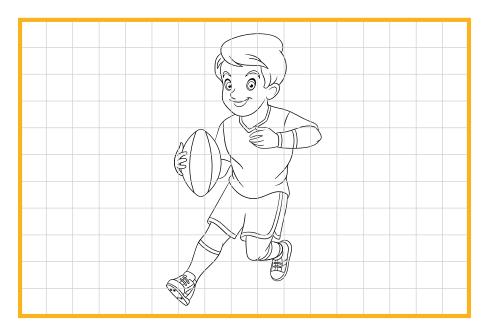

# Copy the Rugby Player using the lines and the mesh

## **Enrich your knowledge**

## Rugby is a sport deriving from football

#### **About the game:**

A rugby team consists of 15 players. Players run and try to get past the opposing team without stopping (They can pass the ball to their teammates). To score a goal, players must ground the ball behind the opponent's goal line.

Grounding the ball behind the goal line (scoring tries)

Tackling from behind

Passing the ball

### How long is a rugby match?

A rugby match is played in two halves, each lasts for 40 minutes.
